The left column has "First Name" and "Last Name" fields, an "Add a student using a parent code (optional)" checkbox, an "Email Address" field, and a "Password" field. The right column has "Or you can" with "Sign up with Office 365" and "Sign up with Google" buttons. A green "Sign Up for Free" button is at the bottom. A small note at the bottom says "By signing up, you agree to our Terms of Service and Privacy Policy".

Once logged in click "Add Student" then enter your child's code that is on their Edmodo page when they are logged in on their account (Located on the bottom left of their screen.)

The image shows two parts. The top part is the "Add Student" form with a "Student's Parent Code" input field and a "Verify" button. The bottom part is a screenshot of a student's Edmodo account page. A white circle highlights the "Parent Code" field in the bottom left corner of the student's account page. Below the screenshot, it says "The parent code can be found in the lower left corner of your student's account." and a "More Help" button.

NOTE: You can enter all your children's codes on your one parent account & ALL students 6-12th Grade have Edmodo Student accounts! 😊
